BERGMANN

What your project needs now.

That's me, the **Bergmann C805**. **Maximum productivity**: With 53 kW of power and an impressive payload of 4.5 tons, I set new standards in my class and guarantee high efficiency on construction sites with limited space. **Compact dimensions for flexibility**: I combine the transport capacity of a 5-tonne dumper with the maneuverability of a 3-tonne model. **Safe and user-friendly**: My operation is fast and intuitive, while I always offer you an optimum overview and safe access outside the danger zone.

We save ourselves the large quantities of paper. So you can save weight.
