

Bergmann C807

More power and more flexibility

bergmann-dumper.com

BERGMANN

What your project needs now.

That's me, the **Bergmann C807**. **Maximum performance:** With my 55.4 kW Deutz Diesel TCD 2.9 engine and sustainable exhaust gas recirculation, I offer high performance with environmentally friendly work. **Easy transportation:** Thanks to my transport height of under 3 m, I can be used flexibly and easily transported from site to site.

Safety and comfort: My swivel seat gives you the choice of two driving directions and ensures optimum visibility. The spring-loaded axle ensures a high level of driving comfort and back-friendly working.

We save ourselves the large quantities of paper. So you can save weight.

Simply scan the QR code! You'll find everything you need digitally - quickly, sustainably and always up to date.
