

Bergmann C810

Maximum power, comfort and safety

bergmann-dumper.com

BERGMANN

What your project needs now.

That's me, the **Bergmann C810**. **Maximum power:** With 75 kW engine power, I have the most powerful standard engine in my class - for higher transport performance and efficient work in any terrain. **Efficient and quiet:** Thanks to my standstill transmission and active speed reduction, wear, noise and fuel consumption are minimized. **Safety and service:** My swivel seat allows you to drive in two directions and ensures optimum visibility. The spring-loaded axle ensures a high level of driving comfort and back-friendly working. In addition, my tiltable driver's cab offers easy access to all service points.

We save ourselves the large quantities of paper. So you can save weight.

Simply scan the QR code! You'll find everything you need digitally - quickly, sustainably and always up to date.
